

The Absolutely Amazing Adventures of Ava Appelsawse

In the book: Ava is just an ordinary young girl with a carpenter as a father and a mom who makes some of the best apple sauce in town. One day, the curiosity of Ava took over when she asked her neighbor if she was a witch. Everyone in the neighborhood wanted to know including Ava's dad. Unfortunately, the neighbor left unexpectedly before Ava could get her answer but she left Ava's father a lot of wood as a gift. He then used it to make Ava a beautiful doll house, but this was no ordinary doll house. What do you think was special about this doll house?

Questions:

On a separate sheet of paper, answer the following questions. Answers will vary because they are yours.
