

diy unicorn headbands

INGREDIENTS

Gold Glitter Foam
Glitter Cardstock
White Cardstock
White Felt
Glue
Glue Gun
Scissors
Headband
Flowers

INSTRUCTIONS

- 1 Download, print, and cut out the unicorn template.
- 2 Trace the ear template onto white felt and white cardstock. Do this two times making sure to flip it over for the second ear. Cut out.
- 3 Cut out the inner piece of the ear template and trace onto the glitter cardstock. Do this two times making sure to flip it over for the second ear. Cut out.
- 4 Glue the white felt onto the white cardstock and then glue the glitter cardstock on top of the white felt. (Refer to the photos)
- 5 Turn the gold glitter foam over and trace the unicorn horn template onto it. Cut the horn out.
- 6 Starting from the straight end, start curling the horn in. (Refer to the photos)
- 7 Once the horn is formed, glue the shape into place by running hot glue down the back seam.
- 8 Glue the horns onto the headbands.
- 9 Next, glue the ears onto the headband on either side of the horn.
- 10 Glue colourful flowers onto the headband slightly covering the horn and ears.
- 11 Let your unicorn headbands fully dry before wearing.
